To Whom it may Concern:

I have worked with and personally known Jasmine for 5 years. Jasmine is aggressive and not one to sit back and let things happen or needs to be managed daily. She jumps in with both feet and makes sure things get done and in a successful manner.

While at WACH, Jasmine had many responsibilities, including, but not limited to sales, event planning, liaison between departments, plan and run weekly meetings, keep up with and review TV ratings, liaison between local organizations and the station and much more.

She has a great relationship with her clients and teammates. Jasmine is a social person and always greets people with a smile. She takes pride in her work and works well with everyone. She is an avid dancer and can talk to anyone.

It was a privilege to work with Jasmine. I wish her all the best.

Sincerely,

*Greg Conner*
